Work Experience

08/2006-present

Aquatic Toxicology Undergraduate Assistantship, Southern Illinois University

I perform sediment toxicity tests with pesticides on benthic invertebrates. Help in maintaining invertebrate cultures. Help in extractions and chromatograph analyses. Perform basic laboratory maintenance, i.e. chemical disposal and washing glassware.

03/2002 to 05/2006

Aquaria Unlimited, 2025 S. MacArthur Blvd, Springfield IL 62704

I have 4 years experience working at a pet store. I am experienced with freshwater, saltwater, birds, reptiles, and small animals. My duties included caring for the animals, feeding, cleaning and maintaining habitats, water changes, water tests and analyses, trimming nails, clipping wings, stocking products, cashier, assisting in sales, and providing knowledge and advice to the customers.
